attorney was reading his own hypothetical question. The lawyer for the defense was trying to follow it from the printed copy Jerome had given him. The court informed him that it was Delmas' question that was being read, not Jerome's, and Hartridge sat down, looking a bit sheepish.

Delmas' question is a comparatively meager inquiry of only about 2,500 words or so. It did not take much more than twenty-five minutes to read it. When Jerome wound up he asked Dr. Flint whether, taking all its statements as facts, he thought that Thaw knew the nature and quality of his act when he shot White, and that it was wrong.

was very indignant and said:

"I do not believe Senator La Follette made any such statement, but if he did, he lied so far as I am concerned. During the short time I have been in the Senate, the only two votes that I have cast have been on the bill making it an offense to keep a railroad telegrapher on duty for more than eight hours at a stretch, which I advocated and voted for, and the bill to broaden the denatured alcohol bill. Both these enactments are diametrically opposed to the trusts and are in favor of the general public.

"I do not believe Senator La Follette made any such statement, but if he did, he lied so far as I am concerned.
